NEWSLETTER JANUARY-APRIL 2020

MESSAGE FROM JOYCE'S DESK

Happy New Year! It's my hope that you had a fun and happy Christmas Holiday and are ready for a great NEW YEAR in 2020.

I wish to thank those of you that believe I can make a difference as President of our Community Center and you can rest assured my dedication to the betterment of our Center will always be a priority. You have elected a wonderful team of Executive Board Officers to lead us through a year of new visions, adventures, fun and excitement and we will do our best to fulfill your expectations. Your new Executive Board members are: President-Joyce Harris, Vice-President-Richard Coffin, Secretary-Judi Coupar and Treasurer-Carol Miller.

There will be changes, and sometimes change can be difficult to adjust to, but we hope you will be patient and help us achieve the best results for the benefit of the Center. Some changes you may not even notice but whatever we do, it will always be the unanimous decision of the Board.

One of our patent wishes is to create Department Leads and committees for the many events and activities that need more structure and direction under the leadership of one person and with the backing and support of the Board. By accomplishing this task, we hope to build strength and communication within each event or activity we hold dear. "Many hands make for lighter work"! I'd like to add.... "and more fun doing it together"!

After many requests and discussions the membership year is changing and will be effective January 1, 2020. Currently the membership year is July 1 thru June 30, 2020.... Beginning this year, the Membership year will be January 1st thru December 31st. For those paid thru June 30, 2020, to comply with the new renewal date, your renewal fee will be one-half *(1/2) of your current membership.. **SEE MEMBERSHIP FORM LAST PAGE OF THIS NEWSLETTER'**

Due January 1, 2020 Single Membership \$5.00; Family membership \$12.50; Business Membership \$17.50

The membership committee is requesting the additional fee be paid as soon as possible to avoid confusion and possible membership lapse after July 1, 2020. For new members joining or renewing lapsed membership, the fee will be prorated from the date of inception to December 31, 2020.

We encourage all members to attend the monthly General Meetings on the second Monday each month. It is there that all general business of the Center of past, present and future will be shared. We also share volunteer needs and future project needs at the General Meeting. Better COMMUNICATION between all volunteers, members and the community is our priority.

On a final note..... the Center, like all other volunteer organizations, is always in need of volunteers. With the arrival of a new year and a new executive board, we are encouraging our current members to become more involved in daily activities and special events at the Center. Our Center is growing within our community and we need your help to keep it growing. We, the volunteers, are simply the stewards and the heart which keeps our Center filled and healthy. To this end, the Board is researching a membership drive to encourage those of all generations to join us and build a stronger foundation in which to grow, improve and provide a fun venue for our community.

We, the executive board, wish everyone a Happy, Healthy and Prosperous New Year in 2020!! We are looking forward to a productive and fun year as your representatives and stewards of our beloved PPCCCA!!!
